(a Youtube Channel on Savitri)

About the Channel:

This channel is primarily dedicated to “**Savitri – A Symbol and A Legend**”, a spiritual epic, written by Sri Aurobindo.

The central theme of Savitri is -

- This is an evolutionary world.
- Man is not the last creation of Nature.
- Nature is moving with a purpose - the purpose of this epic journey is to manifest God on Earth – it is to create Divine Life upon Earth.
- It is not necessary to leave the earth to find God, – man can meet God in this body, on this earth.
- This spiritual Truth can be best expressed in the following lines, (Savitri, 710/34-36) -

***Nature shall live to manifest secret God,
The Spirit shall take up the human play,
This earthly life become the life divine.***

This channel attempts to bring forth this Truth to the people. The contents of the channel can be further grouped in the following sub-themes –

- Purpose of God, Nature, and Man,
- The present state Man, his limitations, and the divinity within.
- The cosmic powers, that are ever ready to help man in his spiritual journey.
- The safest and the quickest way to divinity – the yoga of Surrender, etc.

Format of the Channel:

The talks on the channel follow the following format – the lines from Savitri are read in English and the same lines are displayed on the screen. Subsequently, the explanation of the lines is given in Hindi.

Each talk opens with a preface (in Hindi) that describes the context of the talk.

Summary of the Talk, and/or some information about the talk is also given in the ‘Description’ section of the video.

The description would help in a better understanding of the topic. It will help the viewer know about the context and the contents of the talk. The viewer can also select a section of the video, based on the description of the video. **Viewers are requested to read the description before viewing the video.**
